It is reunion time again! We invite all alumni, family, and friends to the 7th IITA Alumni Reunion slated for 24–29 July 2017 as part of the Institute's Golden Jubilee celebration. IITA is turning 50 this year, 2017, so the reunion is built into the 50th year celebration!

This milestone celebration with the IITA Family will showcase our successes and the benefits from our research-for-development work in the continent; highlight the strong collaboration, cooperation, and support of partners, donors, and farmers; and provide an opportunity to meet old friends and colleagues and celebrate the best of IITA.

We encourage alumni to come with their children who grew up at IITA. They are indeed part of the alumni.

Celebration activities will be held at IITA headquarters in Ibadan.
