

# Great Lakes Accelerated Innovation Delivery Initiative Rapid Delivery Hub (AID-I GLR)

October 2022-March 2024

## PARTNERSHIPS

**3**  
Countries

**9**  
Innovation developers

**21**  
Market actors supplying the innovations

**13**  
Scaling organizations

**2**  
Support service organizations

**7**  
Partnerships consortia

## INNOVATIONS AND PRACTICES

**11**  
Groups of value chains

More than

**25**  
Innovations and practices

## TARGET (WITHIN 2 YEARS)

**1,227,397**

Farming households to be reached

Women  
**40%**

20%  
15-29 years

Men  
**60%**

80%  
30+ years

## REACH BY 30 March 2024

**1,055,619**

Farming households reached

Women  
**49%**

21%  
15-29 years

Men  
**51%**

79%  
30+ years

**880,918**

Farmers accessed improved agricultural technologies with advisory information through small packs

**425,916**  
Females

**183,592**  
Youth

**455,002**  
Males

**697,326**  
Adults

**5,188**

Metric tons of inputs sold by market actors valued at

**\$1,296,814**

**122**

Metric tons of Early Generation Seeds (EGS) produced and supplied to market actors
